1. I will give you the keys to the kingdom. I will give you the keys to heaven and hell. I will give you the keys. I will give you the keys because I have already given the keys. I have already made the keys available to you and shared about them. I have shared them but not many have walked in the authority of using the keys. Not many have walked in My authority, The authority, at all. Not many have chosen to walk in My authority, let alone, so many of the beautiful gifts and delicacies of truth that I have had set before them for so long.

2. The keys to hell and death that you have spoken of in the past, I took, I took them, I went and I took them. I went Myself and I took them and I maintain them, and I share them. I share them with those who want life. I share them with those who want to go from hell and death into life with Me, life everlasting with Me, and operate in all that I have available to them.

3. I have multiple keys and I have given you multiple keys and I have given every person multiple keys and that's why I have talked about the keys. That's why I have shared with you about keys, even in Argentina, and how My body must learn to operate as I intended, as a body, flowing, flowing, flowing dynamically, fluid, recognizing who and what is needed where, and where what is needed, and who needs to do what when.

4. Meekness, meekness, surrender—such great power. Oh, Ted, I will write through you.

5. I will speak through you and I will write and speak through every person who has the guts to stand up and risk Me, to risk being wrong so that they can risk being right. So that they can mature and follow Me in My footsteps, follow My pattern and even know the extent, depth, and breadth of what My pattern is. So many speak of Me being a pattern and have no clue, have no idea of what I have already presented in My Word and how much more I will reveal of Myself because **I am the pattern**.

6. Why did I come? Why did I come? Did I only come to pay for sin? I came because I loved. I came because I love you. I came because I wanted to show you the Father. I wanted you to see the character, the love, the heart of My father and I want you to realize that he is your father too.

7. Fatherhood, sonship, replaced by so many other things in this world and so many suffer because of it. Sonship is arising. Fatherhood is arising and I am fathering you and

I am fathering through you, and sonship and fathership and family, the way that I designed, will operate again—en mass, en mass, en mass—people coming to Me.

8. That's why I have told you months and months ago that My houses must be houses of prayer. They must be prepared. They must be open. They must allow people to come and pray whenever people want to come and pray. Great revision in the structure, the hours, the order, the numerous details of operations of My houses, My houses of every label who really desire to know Me and seek Me and honor Me and do what I want, those who will speak Me, those who will show people Me and not build their own minor kingdom.

9. Revel in your Joy. Revel in the revelations you now have and the revelations which you now exhort into the Body of Christ. I come and I call and I confirm and I come and I call and I confirm My school of schools, My School of the New Covenant, the University of the New Covenant which will birth many Universities for Me in My value system—graduating people with guts for Me; people who are leaders and not wimps, people who know My voice, people who walk forward with Me, people who will wait and wait and wait in the shadows, wait wherever I say wait- until I say move, and hesitate not, hesitatingly not, they will move forward; ready, prepared, prepared for the day.

10. The horse is prepared for battle, but the victory is the Lord's. I love you. Go forth confidenced, confidenced, confidence increase in you, confidence increased. Hold fast your confidence in what I am doing and what I am speaking and call upon what I have given you.

11. Call upon the gift in you. Call upon your design. Go forth. Procreate. Procreate. Procreate and produce. Procreate and produce the documents that are in your heart, the documents that are in your notes produce and distribute prolifically. I love you and I am in them and I am in you and I bless you this day.

12. Bless Barbi. Bless Barbara. Bless those on your Board, those who have helped you financially. Those who read these words and are still wondering what's going on, bless them.

13. Even the ones who curse you and will seek to destroy you, compete with you, and want to disparage you; love them—kindness, peace, to all—in every endeavor with them. I am the righteous judge. I will judge. I will destroy and I will rebuild. I am destroying and I am rebuilding and I am revealing Me like never before.

14. Go forth. Enjoy. Spring into action. Increase. Accelerate. Love Me more.

15. Love what I write through you more. Love what I speak through you more. Great doors open. Ready. Ready. Prepared. Go forth, all provision is made.

16. Communicate. Communicate. Communicate. Mail, e-mail, print, spread the word every way you can. My word, My word, My truth—Me—One. I love you. I thank you.

17. I thank your Board. I thank you for the legal documents that you have just created and I thank you for moving forth with My school and the ministry of prayer and freedom, the ministry of prayer and freedom, intimacy and practical creativity in Me.

18. They will all see and they will know—it could never have been done except by My decree and decreeing I am this day in you, over you, through you, what I have to say; and let them all know I will use them. I will bless them. I will touch them. I will touch them. I will touch them to the extent of their surrender and many times much more so in My mercy and grace.

19. My mercies are new every day—for many, for many, but not forever.

20. I love you. I praise you.

21. Praise your wife more. She loves you dearly.

22. Praise your children more, they are My children.

23. Praise My families. Praise My who-seek-Me. Praise them and confidence them and give them Me and put their hand in mine and I will be grateful eternally.

Your Dad.

Amen.
